INITIAL APPLICATION

Washington State Emergency Medical and Trauma Prevention Part 'D' - Personal Information C O N F I D E N T I A L

Certification of health care professionals is designed to protect the citizens of Washington State from unsafe health care. As part of the certification process, <u>all</u> applicants for certification are required to answer the same, legally defensible, personal data questions, narrowly focused to the fitness to practice the essential skills of this profession.

Part 'D' must be completed by all applicants and returned *directly* to the Department of Health to maintain confidentiality. Please follow the instructions below:

- 1. Detach and review this portion of the application. Make sure you have provided complete and accurate information.
- 2. Return only Part D of the application in the enclosed envelope. Please include all information required below.
